

I am appalled at Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary without giving the Kerry campaign equal free time on its airways. I am astounded that Sinclair has moved so far in its dictatorial - unAmerican attitudes that it would even consider such illegal and terrifyingly dishonest propaganda.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair is obligated from a moral point of view to show integrity and honesty in their use of the airwaves. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Sinclair's actions are a clear representation of why we must have government intervention into the choices of big business who really care nothing for this dear land or the laws of our land. They care only for filling their private pockets with more gold. Please stop this unlawful action by them
